

THE ACADEMY ADVOCATE

A WARM WELCOME

We are thrilled to welcome our new Cohort 3 students to LCK Academy at the Harrow Weald campus. Since starting in June, many of you have shared positive feedback about your experience and our dedicated lecturers. Your enthusiasm is inspiring, and we look forward to supporting you on this exciting academic journey. Welcome to the LCK Academy family!

MENTAL HEALTH AWARENESS

On the 29th of June, our Harrow Weald campus had the privilege of hosting a special guest speaker, Monika Brown, for an enlightening workshop centred on mental health and well-being. The event highlighted the critical importance of well-being and its significant impact on mental health. Monika Brown shared personal perspectives that resonated deeply with the audience.

WE'RE LISTENING TO THE STUDENT VOICE...

We're excited to share highlights from our recent student committee meeting, where new representatives from Cohort 3 praised our lecturers for effective teaching and great communication. The meeting concluded with an open forum where students could voice any additional concerns or suggestions. Thank you to all cohorts and representatives for your valuable feedback!

JEYA'S CUISINE

We are proud to share the inspiring story of Jeyamalar from Cohort 2. LCKA has inspired her to launch her own Sri Lankan takeaway named Jeya's Cuisine! Blending traditional flavors and with the motivation of her cultural background, Jeya has produced a menu that offers authentic tastes. Pictured above is Jeya sharing her food with her fellow students and teachers.
