## OUR NEW STUDENT MANAGEMENT SYSTEM

We are excited to announce the upcoming launch of our Student Management System, which will securely store all your personal details and records. Additionally, it will be integrated with your Moodle account for seamless access between platforms. For peace of mind, you'll be able to monitor your attendance, helping you stay informed about your standing and progress.

## LCKA X LCK AWAY DAY

Our Cohort 3 students recently visited London's Community Kitchen (LCK) in Harrow, where they were warmly welcomed by the CEO Taz. The students participated in various volunteer activities, from sorting food to helping in the kitchen, while Taz shared LCK's history and future plans. The day ended with a shared meal that the students had prepared together, fostering a strong sense of community.

## EXCITED FOR THE RETURN OF OUR COHORT 2 STUDENTS!

We are eagerly anticipating the return of our Cohort 2 students this September for their second year at LCKA. We can't wait to welcome them back to the Harrow Weald campus, where they will rejoin us for another exciting chapter of their academic journey.

## FAREWELL, COHORT 1!

We bid a heartfelt farewell to our Cohort 1 students, who are coming to the end of their course. To celebrate their journey of the last two years and send them off in style, we're hosting a special farewell event on the 14th of September. Let's come together to honor your achievements and wish you all the best in your next adventure!
